Farewell Message

Luis Lopes
Superintendent

Congratulations to the Class of 2019, you represent the 51st graduating class in Southeastern's proud history. As a graduate, I am confident that you will go on to become a vital part of our local economy and serve as productive citizens in the Commonwealth, the country, and around the globe.

Take time to celebrate your success on reaching this momentous occasion and maintain focus and a commitment to lifelong learning. I truly wish you much success and happiness in your future endeavors.

David Degan
Principal

Southeastern Class of 2019, it has been an honor and a privilege to be your principal for the past two and a half years. Although I did not get to start this journey with you, I am happy to have had the opportunity to get to know you. Over the past four years, many of you took full advantage of the high school experience and everything that Southeastern had to offer. As you prepare to walk our halls for the final time, take a moment to look back at all that you have accomplished and how much you have grown as an individual. You are prepared and ready to take those important next steps beyond high school. Believe in the knowledge, skills, and experience that you have acquired, and use it as a springboard for future successes. Remember that life is much more of a marathon than a sprint. There will be times in your future that you will grow exponentially and times when you may face life's trials and tribulations. Through it all continue to move forward as circumstances allow, use every resource available, and always believe in you. I am confident that the future will be bright and that you will do many amazing things. I wish you all good luck and good fortunes in your future.
